

This topographic map depicts the Isabergs naturreservat (Isaberg Nature Reserve) and its surroundings. The reserve is centrally located, marked with a cross-hatched pattern, and includes the areas of Isaberg and Skidbacke. To the north of the reserve are the settlements of Klarabo and Örnåsen. To the east, the map shows Bjärvedsteden and the village of Isabergs. The southern boundary of the reserve is adjacent to Algustorpasjön and Värö naturreservat. The map features contour lines indicating elevation, a railway line running along the western edge, and various geographical features such as lakes (e.g., Hylteån, Algustorpasjön) and forests. The map is oriented with North at the top.
